

cma_declare_contiguous
_multi

cma_declare_contiguous_nid

__cma_declare_contiguous_nid

```
graph LR; A[cma_declare_contiguous_multi] --> C[__cma_declare_contiguous_nid]; B[cma_declare_contiguous_nid] --> C;
```

The diagram illustrates a mapping or transformation. On the left, there are two white rectangular boxes. The top box contains the text 'cma_declare_contiguous_multi' and the bottom box contains 'cma_declare_contiguous_nid'. On the right, there is a gray rectangular box containing the text '__cma_declare_contiguous_nid'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both functions on the left are associated with or transformed into the function on the right.
