

`dma_get_sgtable_attrs`

```
graph LR; A[dma_get_sgtable_attrs] --> B[dma_alloc_direct]; B --> C[dma_go_direct];
```

A flowchart illustrating a sequence of three DMA-related operations. The first operation, `dma_get_sgtable_attrs`, is highlighted with a gray background. A blue arrow points from this box to the second box, `dma_alloc_direct`, which has a white background. Another blue arrow points from the second box to the third box, `dma_go_direct`, also with a white background. All boxes are rectangular with a thin black border.
