

`dma_alloc_attrs`

```
graph LR; A[dma_alloc_attrs] --> B[dma_alloc_direct]; B --> C[dma_go_direct];
```

A flowchart illustrating a sequence of three components. The first component, `dma_alloc_attrs`, is represented by a gray rectangular box. A blue arrow points from this box to the second component, `dma_alloc_direct`, which is a white rectangular box with a black border. Another blue arrow points from the second component to the third component, `dma_go_direct`, also a white rectangular box with a black border. The components are arranged horizontally from left to right.
