```

A flowchart illustrating a sequence of three operations. The first operation, `dma_unmap_phys`, is contained within a gray rectangular box. A blue arrow points from this box to the second operation, `dma_map_direct`, which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third operation, `dma_go_direct`, also in a white rectangular box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.
