

memblock_overlaps_region

```
graph LR; A[memblock_overlaps_region] --> B[memblock_addr_overlap]; A --> C[memblock_cap_size];
```

A diagram illustrating a function call. A gray rectangular box on the left contains the text 'memblock_overlaps_region'. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing 'memblock_addr_overlap'. The bottom arrow points to another white rectangular box containing 'memblock_cap_size'.
