

page_objcg

```
graph LR; A[page_objcg] --> B[mem_cgroup_disabled]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'page_objcg'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'mem_cgroup_disabled'. Both boxes have a thin black border.

mem_cgroup_disabled
