

memcg\_events

```
graph LR; A[memcg_events] --> B[memcg_events_index]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'memcg\_events'. A blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right. This second box contains the text 'memcg\_events\_index'.
