

folio_zonenum

```
graph LR; A[folio_zonenum] --> B[memdesc_zonenum]
```

A diagram illustrating a mapping between two variables. On the left, a gray rectangular box contains the text 'folio_zonenum'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right, which contains the text 'memdesc_zonenum'. Both boxes have a thin black border.

memdesc_zonenum
