

pgalloc_tag_sub

```
graph LR; A[pgalloc_tag_sub] --> B[__pgalloc_tag_sub]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'pgalloc_tag_sub'. The right box is white with a black border and contains the text '__pgalloc_tag_sub'. A solid blue arrow points from the right side of the left box to the left side of the right box, indicating a directional relationship or pointer from the first variable to the second.
