

kmem_cache_init

```
graph LR; A[kmem_cache_init] --> B[setup_kmalloc_cache_index_table];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'kmem_cache_init'. The right box is gray with a black border and contains the text 'setup_kmalloc_cache_index_table'. A blue arrow points from the right side of the left box to the left side of the right box.
