

__setup_param

```
graph LR; A[__setup_param] --> B[setup_slab_merge]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text '__setup_param'. The right box is white with a thin gray border and contains the text 'setup_slab_merge'. The blue arrow points from the right side of the left box to the left side of the right box, indicating a directional flow or call.
