

find_next_to_unuse

```
graph LR; A[find_next_to_unuse] --> B[__swap_offset_to_cluster]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'find_next_to_unuse'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text '__swap_offset_to_cluster'.

__swap_offset_to_cluster
