

`vunmap_pte_range`

```
graph LR; A[vunmap_pte_range] --> B[arch_vmap_pte_range_unmap_size]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text `vunmap_pte_range`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `arch_vmap_pte_range_unmap_size` in two lines.

`arch_vmap_pte_range`
`_unmap_size`
