

vmap_try_huge_pud

```
graph LR; A[vmap_try_huge_pud] --> B[arch_vmap_pud_supported]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'vmap_try_huge_pud'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'arch_vmap_pud_supported'.
