

zspage_full

```
graph LR; A[zspage_full] --> B[get_zspage_inuse]
```

A diagram showing a call from the `zspage_full` function to the `get_zspage_inuse` function. The `zspage_full` box is shaded gray, and the `get_zspage_inuse` box is white. A blue arrow points from the right side of the `zspage_full` box to the left side of the `get_zspage_inuse` box.

get_zspage_inuse
